

GHULLAM ABBAS

WEB DEVELOPER

PROFILE

I'm Abbas, a WordPress Developer with over 5 years of hands-on experience delivering high-quality web solutions. I collaborate with agencies and freelancers who require a dependable developer to manage projects efficiently and professionally.

My expertise includes building custom WordPress websites, converting designs from Figma or PSD into fully functional sites, and handling urgent or overflow work with precision. I am committed to delivering fast, reliable results without compromising on quality.

I specialize in creating responsive, high-performing websites that are user-friendly, scalable, and easy to manage. With a strong focus on long-term value, I aim to be a trusted partner for ongoing projects, maintenance, and support.
